COMMISSION MEMORANDUM

TO: MAYOR PHILIP LEVINE
MEMBERS OF THE CITY COMMISSION
CITY MANAGER JIMMY MORALES

FROM: RAUL J. AGUILA 
CITY ATTORNEY

DATE: APRIL 27, 2016

SUBJECT: AN ORDINANCE OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, AMENDING MIAMI BEACH CITY CODE CHAPTER 2, ARTICLE VII, DIVISION 2 ENTITLED "OFFICERS, EMPLOYEES AND AGENCY MEMBERS", ADDING THERETO SECTION 2-461 ENTITLED "DISCLOSURE BY CITY COMMISSION MEMBERS OF SOLICITATION ON BEHALF OF NONPROFIT ORGANIZATION", REQUIRING CITY COMMISSION MEMBERS WHO SOLICIT GIFTS ON BEHALF OF A NONPROFIT ORGANIZATION FROM A VENDOR, LOBBYIST ON A PROCUREMENT ISSUE, REAL ESTATE DEVELOPER AND/OR LOBBYIST ON A REAL ESTATE DEVELOPMENT ISSUE, TO DISCLOSE THE DATE OF SOLICITATION AND NAME OF INDIVIDUAL SOLICITED, DISCLOSURE TO BE FILED IN CITY CLERK'S OFFICE; PROVIDING FOR REPEALER, SEVERABILITY, CODIFICATION, AND AN EFFECTIVE DATE.

Pursuant to the request of City Commissioner Kristen Rosen Gonzalez, the attached Ordinance has been drafted for the purpose of amending the City's Standards of Conduct for Elected Officials to include a requirement that members of the City Commission disclose direct solicitations by them of gifts on behalf of a nonprofit organization (as such term is defined in Section 2-11.1(e)(2)(g), from a vendor, real estate developer, and/or their respective lobbyists (as said terms are defined in City Code Sections 2-487 through 2-490).

Although the practice of elected officials soliciting on behalf of nonprofit organizations is generally permitted by County ethics laws¹, there is presently no requirement that such solicitation be made public via disclosure. Accordingly, and in light of the City's prior establishment of certain classes of donors (vendors, real estate developers, and their respective lobbyists) as presenting the greatest threat of perceived undue influence, Commissioner Rosen Gonzalez has proposed this legislation which will mandate public disclosure in those instances in which the City's elected officials have directly solicited this limited class of donors for gifts to nonprofit organizations.

¹ Note: This County law is subject to the State's ethics laws which prohibit elected officials from soliciting a gift from a vendor or lobbyist where such gift is for the personal benefit of the official, another reporting individual or procurement employee, or any member of their immediate family, as well as from a political committee. Fla. Stat. secs. 112.3148 (2)(a) and 112.31485.

ORDINANCE NO. _____

AN ORDINANCE OF THE MAYOR AND CITY COMMISSION OF THE CITY OF MIAMI BEACH, FLORIDA, AMENDING MIAMI BEACH CITY CODE CHAPTER 2, ARTICLE VII, DIVISION 2 ENTITLED "OFFICERS, EMPLOYEES AND AGENCY MEMBERS", ADDING THERETO SECTION 2-461 ENTITLED "DISCLOSURE BY CITY COMMISSION MEMBERS OF SOLICITATION ON BEHALF OF NONPROFIT ORGANIZATION", REQUIRING CITY COMMISSION MEMBERS WHO SOLICIT GIFTS ON BEHALF OF A NONPROFIT ORGANIZATION FROM A VENDOR, LOBBYIST ON A PROCUREMENT ISSUE, REAL ESTATE DEVELOPER AND/OR LOBBYIST ON A REAL ESTATE DEVELOPMENT ISSUE, TO DISCLOSE THE DATE OF SOLICITATION AND NAME OF INDIVIDUAL SOLICITED, DISCLOSURE TO BE FILED IN CITY CLERK'S OFFICE; PROVIDING FOR REPEALER, SEVERABILITY, CODIFICATION, AND AN EFFECTIVE DATE.

WHEREAS, as reflected by its prior adoption of legislation on the issue of Campaign Finance Reform, the Miami Beach City Commission has found and determined that legislation is necessary for the preservation of the integrity of representative democracy in the City of Miami Beach in order to prevent the perception that public officials may be influenced by special interests; and

WHEREAS, pursuant to Section 2-11.1(e)(2) the Miami-Dade County Conflict of Interest and Code of Ethics Ordinance (applicable to City of Miami Beach personnel), elected officials of the City are permitted to solicit gifts "in the performance of their official duties", and are also permitted to solicit gifts on behalf of any nonprofit organization (both said provisions subject to certain specific criteria²); and

WHEREAS, the County's ethics laws, however do not impose any requirement for disclosure of such solicitation activities; and

WHEREAS, the below legislation is thus presented as an amendment to the City's Code of Conduct in order to provide for stricter ethics laws than currently exist under State or County ethics codes, by requiring members of the City Commission to disclose their direct solicitation of gifts for a nonprofit organization from those donors found to be most involved in creating the perception of undue influence, said donor class consisting of "vendors," "lobbyists on a procurement issue," "real estate developers" or "lobbyists on a real estate development issue," as said terms are defined in Chapter 2, Article VII, Division 5, Sections 2-487 through 2-490 of the Miami Beach City Code; and

² See, Miami-Dade County Code section 2-11.1(e), subsections (2)(f) and (g).

WHEREAS, in its adoption of this new ethics law, the Miami Beach City Commission believes such disclosure necessary in order to advance the City's important government interests of dispelling perceived undue influence while providing increased transparency in City government, recognizing that transparency has been acknowledged by the United States Supreme Court as enabling "...the electorate to make informed decisions and give proper weight to different speakers and messages"³.

Subject: Ocean Drive - Emergency Item

Dear Mayor Levine and Members of the Miami Beach City Commission:

I was greatly disappointed with your rash decision last week to reward Ocean Drive with yet another "third-time-taxpayer-funded" multi-million dollar sidewalk widening/lighting project, etc. Your plan to expand the 24-hour-carnival-like-circus of Ocean Drive and encroach further into Lummus Park speaks volumes as to what I perceive as your lack of leadership and failure to understand the needs of the MXE neighborhood.

In January, I provided you with the "Minority Report and Recommendation" of the Ocean Drive Task Force (attached - two minute read). The fact that only Commissioner Rosen-Gonzalez reached out to discuss my report further supports my assertion that you're disconnected with the needs of my neighborhood. As my 5-Point Plan suggests, "Cleaning up Ocean Drive will require strong leadership and a commitment and resolve to stand up to special interests," and not require the waste of any taxpayer resources.

In light of the murder which took place on Ocean Drive on Saturday night, my request is for this matter to be placed on today's agenda as an emergency item to finally address the merits of my report. I can't imagine this item taking-up more than ten minutes of the commissions time.

For informational purposes and for your convenience, I've also attached two YouTube links of edited clips of proceedings which took place on the dais regarding Ocean Drive.

There's also another clip of an unfortunate incident which took place outside my home/hotel on Saturday night.

I would appreciate if each commissioner replied to this email and state if whether they have any issue with my request.

5-POINT PLAN FOR MXE DISTRICT

Mitch Novick "Minority" Report and Recommendation to the Miami Beach Commission Concerning the Deterioration of the Quality of Life in the MXE District, Ocean Drive, Collins Avenue and the Surrounding Neighborhood January 8, 2016

For several years I have witnessed the deterioration of the quality of life in the Ocean Drive Entertainment District. I have continuously resided in this neighborhood since prior to the MXE zoning which was adopted in 1989. I also operate a hotel in the District. The MXE zoning was intended to accelerate the revitalization of the Art Deco District. Instead, what we have today is a 24 hour circus-like carnival atmosphere which was never anticipated, and is entirely unacceptable.

Before preparing this report, I have conferred with members of the business community, residents, and government officials. I have examined plans, reports, and have attended all the Ocean Drive Task Force meetings to study these issues.

From my home, I have witnessed drug deals, prostitution, public inebriation, defecation, and urination, stabbings which precipitated murder, sexual assaults, robberies (up 35% this past year), and the list goes on and on.

The MB Police Department have visited me regularly to view my CCTV public right of way footage which has assisted in the arrest and conviction of hardened criminals. I also have little doubt that the problems which plague Washington Avenue along the districts western boundary, are causally related to the nearby MXE zoning district which spans from 5th to 16th Street along Ocean Drive and Collins Avenue.

The area is congested with all kinds of riff-raff, it's dirty, dangerous, loud, and the vacancy factor has skyrocketed. The three streets are saturated with tee shirt shops, 7-elevens, pizza joints, liquor stores, tattoo parlors and smoke shops.

Due to the continued degradation of the neighborhood, this past year we've seen the departure of national tenants including: Barney's Co-op, Urban Outfitters, Benetton, Kenneth Cole, Ralph Lauren and just recently, Levi's announced it too, will be leaving. As a hotelier, I can attest that international tourists are also finding safer destinations to spend their dollars.

I urge you to reject all recommendations having to do with throwing the public's money to hire more police and code officers. Moreover, a "third-time" waste of tens of millions of dollars of the publics money to widen sidewalks and encroach further into Lummus Park reducing its green-space are all the same

costly and unwise mistakes made by your predecessors serving on the commission.

Cleaning up Ocean Drive will require strong leadership and a commitment and resolve to stand up to special interests that often make their living off the riff-raff drawn by the chaos we find so abhorrent. Transforming this neighborhood could be done rapidly and would certainly be encouraged by the new development occurring in and around the entertainment district. My recommendations would be easy to implement and more importantly, will not require special public expenditures of taxpayers funding.

My recommended five-point plan is as follows:

1. Immediately begin enforcement of vehicular noise violations. It is the noise which fuels the riff-raff which is destroying the neighborhood. (This was done effectively during the Dermer administration, but has since been abandoned).
2. Amend the noise ordinance as it relates to Ocean Drive. Currently there are no restrictions and businesses can blast noise as loud and as far Eastward as possible without threat of violation. Again, it is the noise which fuels the riff-raff which continues to destroy the Miami Beach brand. Observe the folks who congregate and are often drinking from "Solo" cups in Lummus Park to enjoy the free entertainment from these noisy establishments.
3. Revisit the MXE Zoning. I strongly believe the "E" should be changed to an "H". How does Mixed-Use-Hotel or Mixed-Use-Residential sound? It sounds like a compatible use to me.
4. Preclude any additional entertainment establishments from opening on Ocean Drive and grandfather in those existing establishments with the

provision that they contain or substantially reduce their noise levels.

5. The tunnel-like gauntlet of awnings and umbrellas currently obscuring Ocean Drive **can only be** resolved by limiting table coverage on the Right of Way. Ocean Drive looks like a squalid tent city from the serpentine walkway. It is the tables that dictate the umbrellas and awnings required to protect patrons from sun and rain.

I am looking to this commission to show leadership and resist the incessant pressure from the Ocean Drive businesses which continue to want more and more to the detriment of the greater good of the City of Miami Beach, its residents and businesses.

Respectfully Submitted,

SUBJECT: AIR & SEA SHOW EVENT

In response to Commissioner Malakoff's email to you dated April 18, 2016, regarding the Commissioner's concerns as to the proposed Air & Sea Show Event (the "Event"), and the Commissioner's inquiry regarding the City's February 1, 2016 agreement with A National Salute to America's Heroes, LLC (the "Event Producer") for the production of the Event in the City of Miami Beach (the "Agreement"), this memorandum outlines the key Event-related deliverables set forth in the Agreement, along with pertinent provisions relating to the City's right to suspend Event activities or otherwise terminate the Agreement. A copy of the fully executed Agreement is attached hereto as Exhibit "1."

BACKGROUND

On December 9, 2015, the Mayor and City Commission adopted Resolution No. 2015-29226, approving the substantive terms of the proposed agreement for the production of the Event, which would take place each year during the Memorial Day weekend, unless terminated in accordance with the Agreement (the "Event Period"). The Agreement is for a five (5) year term, subject to the termination rights as set forth more fully below. The event site is generally described as the area east of Ocean Drive, from 5th Street to 15th Street (the "Event Site").

EVENT-RELATED DELIVERABLES UNDER THE AGREEMENT

The Agreement provides the City with the right to review and approve the various plans with respect to the activation of the Event. The key Event-related deliverables under the Agreement are as follows:

1. **Special Event Permit Application Process.** Not less than one hundred and twenty (120) days prior to the commencement of each Event Period (for the first year of the Event, this means prior to January 26, 2017), the Event Producer, as the applicant, must submit to the City, for review by City departments and final approval by the City Manager, a Special Event Application with the proposed Event Site Plan (See Agreement, Section 4), which must include:

- (i) depictions of all locations designated for Event Producer's exclusive use, including the Restricted Event Area (for command and control, landing zone, operations, and hospitality);
- (ii) locations of all tents, facilities, concessions, alcoholic beverage service areas, fences and barriers at the Event Site;
- (iii) copies of all permit applications;
- (iv) a description of all activities to occur at the Event Site, and identity of Event sponsors; and
- (v) any other information required pursuant to the City's Special Event Rules and Regulations, or otherwise required by the City Manager.

2. **Public Safety Plan.** Not less than one hundred and twenty (120) days prior to the commencement of each Event Period (for the first event, prior to January 26, 2017), the Event Producer must submit to the City its proposed Public Safety Plan, **which must include Event Producer's plan for responding or mitigating criminal or emergency incidents that may occur at the Event Site.** (Agreement, Section 5).

Importantly, the City Manager has absolute sole right and discretion to require any revisions or adjustments to the Public Safety Plan, and any such adjustments shall be binding on the Event Producer. (Agreement, Section 5).

3. **Maintenance of Traffic (MOT) Plan.** Not less than one hundred and twenty (120) days prior to the commencement of each Event Period (for the first Event, prior to January 26, 2017), the Event Producer must submit its proposed MOT Plan, which must include a construction, automotive and pedestrian traffic flow schedule, and Event Producer's proposal for opening and closing times for streets or transportation corridors. **All closing of streets to be determined by the City Manager's at his sole discretion.** (Agreement, Section 6).

4. **Erection of Facilities/Structures.** As part of the permit process, City's Fire Department and Building Department must review and approve the proposed use of any facilities or structures to be erected for the Event. (Agreement, Section 9).
5. **Use of City Parking Lots.** Not less than ninety (90) days prior to the Event Period (for the first Event year, prior to February 25, 2017), Event Producer must submit requests for use of City parking lots (at the Special Event Parking Rate). (Agreement, Section 7).
6. **Other Permits/Governmental Approvals.** At least fifteen (15) days prior to the Event Period, Event Producer must have secured all licenses and governmental approvals applicable to the Event. (Agreement, Section 13). For the proposed air and sea show program, the governmental approvals required for the Event include authorization from the Federal Aviation Administration (FAA), the U.S. Coast Guard, and the Florida Department of Environmental Protection.
7. **Room Block Requirement.** Event Producer must generate a minimum of one thousand (1,000) room nights on the peak night of the Event Period, and must provide the City with documentation verifying compliance with this requirement within thirty (30) days following the conclusion of each Event. If Event Producer fails to meet this requirement, the City may immediately terminate the Agreement for cause. (Agreement, Section 27).

In addition to the specific deliverables and milestones noted above, the Agreement includes a variety of terms and conditions for the protection of the City, including obligations with respect to maintenance of City property; insurance; payment of Event-related costs; submittal to the City of a payment bond to guarantee the Event Producer's obligations; and standards of conduct to ensure the Event Producer conducts its activities with full regard for public safety, including, without limitation, the requirement to comply with all applicable laws.

THE CITY MANAGER'S AUTHORITY TO SUSPEND EVENT ACTIVITIES.

In addition to the City Manager's right to review and approve the proposed plans for the Event, the Agreement provides that **the City Manager shall have the authority to suspend all or any part of the activities of the Event Producer, if in the City Manager's sole judgment and discretion, such activities may be or are detrimental to the public or to the City.** (Agreement, Section 19). The City Manager may also suspend activities if the City has reason to believe any law is being violated and such conduct is not corrected within forty-eight (48) hours. **Among other things, the City Manager may also suspend or terminate use of the Event Site if visitors become unruly.** (Agreement, Section 19).

TERMINATION PROVISIONS

1. Termination for Convenience.

The City Commission has the right to discontinue the Event each year, **following the conclusion of the first Event.** (Agreement, Section 20(a)). Termination for convenience pursuant to Section 20(a) of the Agreement must be effectuated by motion approved by the City Commission, within ninety days following the conclusion of each Event. If the City terminates the Agreement for convenience, the City shall not permit production of an air and sea show on City's beach for two (2) years after the year the last Event is produced. (Agreement, Section 20(a)).¹ In addition, the Event Producer also has the ability to terminate the Agreement for its convenience, if it elects to do so prior to the July 15 of the year preceding the next Event. (Agreement, Section 20(b)).

2. Termination for Cause.

The Agreement includes a termination clause to permit either party to terminate the Agreement for cause if the other party defaults on its obligations under the Agreement. If the Event Producer fails to comply with the Agreement terms or any applicable laws, the City shall provide the Event Producer with a written notice of default. The City may thereafter terminate the Agreement for cause, if the Event Producer fails to cure the default within a specified time period (not later than 60 days). If the Event Producer commits a default and timely cures the default, and later subsequently commits a default of a similar nature, the City may terminate for cause immediately without providing any opportunity to cure the subsequent default. In addition, if the default is of a nature that cannot be cured (such as the failure to have met the minimum room block requirements), the City may immediately terminate the Agreement for cause. See Agreement, Section 20(c).

¹ At the December 9, 2015 City Commission meeting, in response to a question concerning the termination for convenience clause proposed as part of the agenda item, the City Attorney interpreted the proposed language as authorizing the City to terminate the Agreement for convenience prior to July 30, 2016. Both the Event Producer and at least one Commissioner disagreed with the interpretation, reasoning that, due to the work associated with organizing the Event, securing sponsors, and the like, the intent was to only authorize the City to termination for convenience after the conclusion of the first Event. Subsequently, the Mayor proposed either a postponement of the agenda item to the January, 2016 City Commission meeting, or a limited termination for convenience clause to allow the City to cancel the Agreement in the first sixty (60) days following execution of the Agreement, but after the Event Producer explained that the room block commitments would be compromised, these points were not included in the motion to approve the agenda item. As a result, the termination for convenience clause in the Agreement only applies *after* the conclusion of the first Event.

Memorandum to City Manager
April 19, 2016
Air & Sea Show Event

In response to Commissioner Malakoff's question as to whether the City may rescind Resolution No. 2015-29226, and terminate the Agreement prior to the 2017 Event, in the absence of a default on the part of the Event Producer that is not cured or cannot be cured within the cure period, any such action may constitute a breach of the Agreement that may expose the City to potential damages, including the Event Producer's attorneys' fees. In this regard, the Agreement provides that "the defaulting party shall remain liable for all damages, costs and expenses, including reasonable attorney's fees, arising out of or related to its Defaults under this Agreement." (Agreement, Section 20(c)(3)).

If the City Commission desires to rescind Resolution No. 2015-29226 and terminate the Agreement, I recommend that the City Commission formally direct the Administration and City Attorney's Office to meet with the Event Producer to address the possibility for a negotiated settlement or buy-out of the Agreement, prior to the City Commission taking any final action to rescind or terminate the Agreement before the conclusion of the first Event.

- a. The Event Site Plan depicting, at a minimum, all locations that will be designated for Applicant's exclusive use (including, without limitation the Restricted Event Area): detailing the locations of any tents, sanitary facilities, parking, stages, booths, concessions, alcoholic beverage service areas, etc.; and the boundary lines, including those down to the waterline (as allowed by law), of any fences, barriers, etc. to be constructed at the Event Site. The Event Site Plan shall be subject to the review and approval by the appropriate City departments. After review by the appropriate City departments, the final proposed Event Site Plan shall be subject to the review and final written approval of the City Manager. A final inspection will be conducted by the City immediately prior to the Event to ensure that the location of all tents, booths, sanitary facilities, parking, stages, etc. are in accordance with the City approved Event Site Plan. The City approved Event Site Plan shall be incorporated into this Agreement as Exhibit "D" hereto.
- b. A description of all activities and events to occur at the Event Site, (including, without limitation, the Restricted Event Area).

- c. The cellular and business phone numbers of the individuals in charge of the various aspects of the Event.
- d. Copies of all appropriate permits and licenses required by the City. These permits include, but are not limited to, permits necessary for tents and other structures, merchandise, food and beverage vendors, and electrical connections.
- e. All sponsors of the Event, and/or all goods and services to be promoted, distributed, sold, or given away must have the prior written approval of the City Manager, which approval, if given at all, shall be at the City Manager's sole discretion.
- f. Applicant shall provide any other deliverable(s) required by the City Manager, whether same is required pursuant to the City's Special Event Rules and Regulations, which are attached and incorporated as Exhibit "___" hereto, or whether required in order to safeguard and ensure the health, safety, and welfare of the City's residents and visitors during the Event Period.
- g. Applicant acknowledges that other events and activities will take place within the City of Miami Beach during the Event Period each year, as the Event Period includes the Memorial Day holiday weekend, a historically busy weekend within the City of Miami Beach. Accordingly, Applicant's Event schedule, program, and activation shall be coordinated with the City, so as to ensure the health, safety and welfare of City's residents and visitors during the Event Period, and minimal disruption or interruption of other activities or events taking place within the City of Miami Beach during the Event Period.

5. **PUBLIC SAFETY PLAN FOR THE EVENT.** Because of the physical size of the Event and the number of people that may attend, City shall arrange for such necessary personnel, at City's expense, and in such type, manner and number, as may be determined by the City Manager, in his sole discretion and judgement, to ensure the appropriate level of public safety at the Event Site and Event Impact Areas, excluding the Restricted Event Area, which shall be provided at Applicant's expense. The parties may consult with each other in regard to the levels of security, including the scaling down of such services for the set up and tear down of the Event.

- a. The Applicant shall provide a Public Safety Plan for the City Manager's review and approval, no later than one hundred and twenty (120) days prior to the date of each Event Period. This Public Safety Plan shall include, but not be limited to, the Applicant's planned actions to respond to and mitigate various potential criminal and/or emergency incidents which may occur during the Event. After receiving the Public Safety Plan from the Applicant, the City Manager shall work with the Applicant in order to properly determine the number of personnel necessary to effectively and efficiently carry out the Public Safety Plan. The City and Applicant shall develop an anticipated budget for the Public Safety Plan. The City Manager shall have the absolute sole right and discretion to approve the Public Safety Plan, including any revisions or adjustments thereto. In the event of a disagreement(s) between Applicant and the City regarding the number of personnel required for the Public Safety Plan, and/or the anticipated budget of the Public Safety Plan, the City Manager's decisions shall be final. The final City-approved Public Safety Plan shall be attached and incorporated as Exhibit "B" to this Agreement.

- b. Applicant shall make arrangements with the appropriate City department(s) to provide Police, Fire, Ocean Rescue protection. These arrangements must be reviewed and approved by the City Manager.
- c. The parties will act in good faith to keep the other party notified of the latest information and any new developments or incidents that might cause additional public safety personnel to be deployed to the Event.
- d. In addition to the City-approved Public Safety Plan, the City's Police and Fire Departments will author separate comprehensive Incident Action/Operational Plans specific to their respective duties. Such plans will take into consideration several factors, to include nationally accepted event planning and management guidelines utilizing the National Incident Management System (NIMS) and the Incident Command System (ICS). These plans will be fluid up until the conclusion of the Event and may change based on real time intelligence, threat information, and other such inputs. Local representatives and agents from the Federal Bureau of Investigation (FBI) Special Events Unit, the Department of Homeland Security (DHS), Navy Criminal Investigative Service (NCIS), and other public safety partners will assist in determining the level and magnitude rating of the Event, advise of any potential national security considerations, and provide intelligence gathering and Event threat assessment assistance. Due to the sensitive security and safety implications of such plans, they will be kept confidential, accessible to City officials, Police/Fire personnel and Applicant only, and shall not be available for public or media distribution.
- e. The cost of any expansion of Event-related activities, boundaries or other Event program changes requested by Applicant, or the costs for additional services requested by Applicant, including, without limitation, public safety-related services that are greater than the services being provided by the City for the Event as established in the Public Safety Plan, shall be at the sole expense of Applicant. City shall be paid or reimbursed for all costs and expenses associated with any such additional or expanded services provided to Applicant, with all such costs being accounted for and paid separately from the provisions of Section 17 of this Agreement, which shall not apply with respect thereto. Expansion of services means enhancements of Event-related activities or programming, any changes in the type of activities approved for the Event, or other changes with respect to the Event that are initiated by or are requested by Applicant, including changes to the physical location and boundaries that result in an increase in the City's cost to provide all necessary services.
- f. Should Applicant request non-critical public safety services, such as a police escort, or if such services are beyond the City's ability to provide, Applicant may make such arrangements and coordinate these services with the City. The cost for these additional services shall be an expense to Applicant, and all such costs and expenses shall be paid to City within the time frame set forth in Section 17.
- g. In the event of an emergency or disaster during the Event, at the Event Site, or as a direct result of Event activities, that requires public safety resources beyond the City approved Public Safety Plan, it shall be the sole responsibility of the Applicant to reimburse the City for its additional cost to respond to such emergency or disaster. This paragraph shall not apply to any natural disaster, act of terrorism, or act of God that may occur at the Event Site during the Event including, without limitation, a hurricane, lightning strike, tornado, or any other such causes whatsoever beyond the control of the parties.

- h. In the event the Applicant wishes to utilize temporary mobile cellular communication service boosting) towers, which can also benefit public safety by increasing the E-911 capabilities of the specific service provider, the Applicant must notify the City Police and Fire Departments and agrees that the contracted equipment provider with whom they procure such equipment, services etc. will work closely with the City Radio Engineers to confirm the temporary towers will not interfere with the City or County public safety radio frequencies.
- 6. **STREET CLOSINGS:** The City Manager reserves the right, at his sole discretion, to approve all closing of streets, including those streets and transportation corridors within the Event Site.
 - a. Not less than one hundred and twenty (120) days prior to the date of each Event, Applicant shall provide to the City a MOT Plan for the City Manager's review and approval. The City approved MOT Plan shall be incorporated into this Agreement as Exhibit "C," and shall contain a construction and automotive and pedestrian traffic flow schedule detailing the opening and closing times for all streets and/or transportation corridors. No street or transportation corridor closures will be permitted unless included in the City approved MOT Plan. Applicant agrees to provide the City with emergency access to all areas included in the Event Site.
 - b. Applicant agrees to coordinate and make the appropriate arrangements with any merchants or residents affected by any street or transportation corridor closures to ensure they are provided sufficient and reasonable access to their businesses and residences.
